Reading Habits Assignment

1. Describe the reading habits you have developed for your thesis in terms of the parameters discussed in class (what, why, how much, how, and difficulties). Then comment specifically on your reading of the paper you chose for the previous reading assignment. Write no more than four hundred (400) words and no less than one hundred (100).

2. Interview your thesis advisor and report on his reading habits. Write no more than three hundred (300) words and no less than one hundred (100).
